

UTILITY INFORMATION SHEET

Below is a list of utility companies and their phone number. You are 100 % responsibility for contacting, turning on, turning off, paying for, and dealing with any regular procedures with

1. Columbia Gas of Ohio
2. American Electric Power
3. Time Warner Cable & Internet
4. Verizon (house phone company)

The electric must be on during the entire lease. Please contact the electric company 3-7 days before the lease starts and put it in your name(s). The gas, cable / internet, and home phone can be turned on when you want it turned on. Most people don't turn on a house phone as everyone is using their cell phones only. WARNING, waiting until the last minute to turn on the gas, phone, or cable could result in a 4-8 day waiting period.

----- City Water Company policy -----

The City of Athens Ohio has a unique policy. The water stays on all year round in a blank name. It never goes into anyone's name. When the bill comes to your apartment / house it saysexample.....

Current tenants

32 W. Stimson Ave

Athens Ohio 45701

You are responsible for paying this bill unless the lease states differently. You never have to call the water company to put it in your name. You do not have to pay a deposit. You do not have to sign any paperwork. You only have to pay the bill when it comes. The water stays on 365 days a year.
